MEYSSOJJ LLC is a veteran-owned supplier and distributor delivering reliable, compliant products to federal agencies, first responders, and commercial healthcare buyers. Led by a service-disabled U.S. Army veteran, the company combines mission-focused discipline with an agile, low-overhead model and TAA-compliant sourcing.

## CORE COMPETENCIES

- **Information Technology:** computers, laptops, printers, toner & ink, cables and adapters, docking stations, peripherals, UPS power protection, and federal-specific CAC/smart-card readers and privacy filters.
- **Medical & Health Supplies:** PPE including U.S.-made / TAA nitrile gloves, wound care and first aid, infection control, basic diagnostics, and durable medical equipment (bath-safety & mobility).
- **CBRN-Defense Equipment:** respiratory protection (NIOSH 42 CFR Part 84), protective clothing (NFPA-tested), detection & monitoring instruments, and decontamination supplies — protective/defensive product lines.
- **Fulfillment:** distribution and direct fulfillment — authorized-dealer sourcing with manufacturer-direct and drop-ship delivery, plus country-of-origin (TAA) documentation for federal requirements.

## DIFFERENTIATORS

- **SBA-certified SDVOSB** — eligible for SDVOSB set-aside and sole-source awards, with VA “Veterans First” contracting priority.
- **Discipline & federal experience** — professional and military discipline for responsible, security-conscious execution.
- **Compliance-first sourcing** — emphasis on TAA-compliant and NIOSH/NFPA-certified product lines built for government and first-responder buyers.
- **Agile and responsive** — lean overhead and direct-fulfillment efficiency enable competitive pricing and fast turnaround on micro-purchases and small orders.

## FOUNDER BACKGROUND & PAST PERFORMANCE

- Founded and operated by a service-disabled U.S. Army veteran; established business entity with active federal registration.
